

The Rotary Club of Naples was chartered on November 26, 1951 and is affectionately known around town as the “downtown club”. Our club is 95 members strong and has been serving the community for 69 years, embracing the motto “*Service Above Self*”. Last year The Rotary Club of Naples provided funds to a variety of charitable causes including Polio Plus (a campaign to end polio worldwide), Gift of Life (providing heart surgeries for critically ill children), Meals of Hope (feeding the hungry in our community), Learn2Earn Scholarships (providing financial assistance and success coaching to students seeking trade and technical degrees and certificates) and Naples High School Interact Scholarships for development.

Please help us make this year an even bigger success by becoming a sponsor of The Rotary Club of Naples — *Food, Wine & Beer Festival*.

THE ROTARY CLUB OF NAPLES

Food, Wine & Beer Festival

Welcome to our festival!

The Rotary Club of Naples Food, Wine & Beer Festival is a food, wine and craft beer extravaganza held on Saturday, December 5th, 2020, at Bayfront of Naples. Over 40 premium wines and 30 craft beers will be featured along with food from 20 participating restaurants. The Saturday night party also includes music groups and entertainment along the street. There are numerous levels of sponsorship packages available.

What makes this event unique are the 20 amazing Naples restaurants offering samples of their exquisite cuisine, along with high quality wines such as Jordan, Ferrari, Carrano and Layer Cake, among many others. Additionally, an extensive craft beer selection from local breweries such as Naples Beach Brewery, to national names such as Magic Hat, will ensure every taste is satisfied.

Who benefits?

Learn2Earn is a vocational and educational scholarship program providing direction and financial support to promising young people. It is our aim to nurture skilled trades people, medical, emergency and service personnel as an investment in our local Collier County community.

Begun at The Rotary Club of Naples, Meals of Hope's concept is a simple one - community groups come together to pack meals for hungry people. To date, over 33 million meals have been packed and delivered.

Each December The Rotary Club of Naples provides gift wrapping supplies and volunteers to provide foster

children with an opportunity to give back to their foster families through the act of giving holiday gifts.

Gift of Life International focuses on life saving heart surgeries for children in third world countries by training surgeons and by building facilities to provide medical staff with the procedures, knowledge and equipment needed to save lives.

This is Rotary International's 30 year effort to eradicate polio worldwide. Over the last two years alone, The Rotary Club of Naples has provided vaccinations to over 100,000 children who will never contract this disease.

ShelterBox is a Rotary program providing life's most basic shelter necessities in response to significant natural disasters. The aim is to help people reestablish self sufficiency as a first step toward rebuilding their lives.

Coins for Alzheimer's Research Trust is a program in which we collect spare changes to provide additional funding for Alzheimer's research.

In many places, disabled people live literally on the ground. The Wheelchair Foundation is leading an international effort to deliver a wheelchair to every child, teen and adult in the world who needs one.
